

Student Attendance Policy

American World School — Online Programme

1) Purpose and Scope

Good attendance and punctuality are essential to ensure students' acquisition of core skills and key areas of learning. This policy sets expectations for Online Programme students in Grades K–12, clarifies authorized vs. unauthorized absences from scheduled Live Blocks, and outlines roles, procedures, and responses to promote high attendance and promptness.

2) Policy Statement

- Students are expected to join every Live Block on their confirmed weekly timetable, as scheduled by their Success Coach and Success Manager.
- Good attendance is judged as 94% or better of scheduled Live Blocks over the school year (maximum of 3 missed Live Blocks per term, per subject).
- The school will use age-appropriate rewards to reinforce excellent attendance and proportionate sanctions where attendance or punctuality falls below expectations.
- Regular attendance is required by law and is essential for academic success, whether learning takes place on campus or online.

3) Punctuality Expectations

- Students must join their scheduled Live Block on the learning platform at the confirmed start time.
- Students joining more than 10 minutes after a Live Block has started must notify their Success Coach and will be marked late for that session.
- Late arrival without an acceptable excuse is a Level 1 violation and will be addressed under the school's behavior policy.
- Three (3) late arrivals to Live Blocks equal one missed Live Block (unexcused).
- Where a student experiences a connectivity or technical issue, reasonable flexibility will be exercised when considering punctuality, provided the issue is reported to the Success Coach as soon as possible.

4) Authorized (Excused) Absences

Absences from a scheduled Live Block are considered authorized when supported by appropriate documentation and within the limits below:

- Illness (supported by a medical certificate)
- Bereavement: death of a first- or second-degree relative (up to 5 days)
- Essential urgent family travel for medical treatment or bereavement (not to exceed one month in an academic year) with supporting medical/official documentation. If the absence exceeds one month, prior approval is required, along with supporting documentation confirming the necessity of the extended absence.
- Participation in an official community task or event representing the country (e.g., national sporting event) with official documentation
- School-sponsored virtual activities or events (do not count toward absence totals)

- Mandatory appearance before an official government body with documentary evidence
- Pre-approved educational absences (college visits, etc.)
- Religious observances
- Court appearances (with documentation)
- Up to 5 days for any other compelling reason recognized and approved by the Success Manager

Planned Authorized Absences

Parents/guardians who plan for their child to miss several Live Blocks must submit a written request to the Success Manager for approval at least 10 days (two weeks) in advance so Success Coaches can prepare any missed work. Approval is not guaranteed, particularly during critical academic periods (final exams, standardized testing, etc.).

5) Unauthorized (Unexcused) Absences

The following are considered unauthorized absences from a scheduled Live Block:

- Shopping trips
- Unnecessary travel
- Family vacations during scheduled Live Blocks (unless pre-approved)
- Family/social events (birthdays, visitors, etc.)
- Personal appointments that could be scheduled outside Live Block hours
- Other non-essential reasons
- Any absence not falling under authorized categories

Unauthorized absences may trigger sanctions and negatively impact behavior conduct points and academic standing.

6) Truancy

- A student is truant when absent from a Live Block without the knowledge/consent of parents/guardians, or where parents/guardians collude with the student so the absence is without authorization.
- Missing any scheduled Live Block without authorization constitutes truancy.
- The school will immediately inform parents/guardians of any truancy incident and will schedule a meeting with the student, parents, and Success Manager to address the behavior.
- Following such incidents, the Success Manager will closely monitor attendance and apply behavior sanctions in line with the school behavior policy.

7) Reporting Absences

Unplanned Absence

Parents/guardians must notify the Success Coach or Success Manager before the scheduled Live Block, via email or the family portal, on the day of absence. Documentation (doctor's note, etc.) should be submitted within 48 hours of return to determine if the absence qualifies as authorized.

Planned Absence

Parents/guardians must submit a written request to the Success Manager for approval at least 10 days (two weeks) prior to the first day of planned absence.

Early Exit from a Live Block

Where a student must leave a Live Block early, a written note should be sent to the Success Coach ahead of the session wherever possible, or as soon as the need arises.

8) Academic Impact and Make-Up Work

Authorized (Excused) Absences

- Students will receive full credit for completed make-up work.
- Students have one day per missed Live Block to complete make-up assignments once they return.
- Tests and quizzes must be made up within one week of return.
- Students are responsible for contacting their Success Coach to arrange make-up work.
- Arrangements must be approved by the Success Manager and subject Success Coach.

Unauthorized (Unexcused) Absences

- Students will not be allowed to make up missing assignments.
- Due dates and deadlines will not be extended.
- Unexcused absences may result in zero credit for missed work.
- Students have two days per missed Live Block to submit any work if special circumstances apply.

Planned Absences (Pre-Approved)

- Mastery Block materials will be made available prior to the planned absence (if approved).
- All homework is due within five days of return.
- All quizzes and tests missed must be made up within one week of return.
- No Success Coach will be required to prepare materials in advance for vacation absences.
- Work will not be provided prior to vacations but assigned upon return in modified amounts.

School-Sponsored Absences

- Do not count toward absence totals.
- All missed work is due within three days of the missed activity.
- Students must be in attendance the day of the event/activity to participate.
